2. GENERAL PRINCIPLE

The Company shall not accept child labour. It supports the United Nations (U.N.) Convention on the Rights of the Child (1989). The Child Labour policy is based on this Convention, which stipulates:

- “All actions concerning the child shall take full account of his or her best interests.” Article 3.
- “The right of the child to be protected from economic exploitation and from performing any work that is likely to be hazardous or to interfere with the child’s education, or to be harmful to the child’s health or physical, mental, spiritual, moral or social development”. Article 32.1.

In addition, this policy is based on the International Labour Organisation (ILO) Minimum Age Convention no. 138 (1973). According to this convention, the word “Child” is defined as any person below fifteen (15) years of age, unless local minimum age law stipulates a higher age for work or mandatory schooling, in which case the higher age would apply. If, however, the local minimum working age is set at fourteen (14) years of age in accordance with exceptions for developing countries, the lower age will apply.

This Policy also incorporates the ILO Convention on the Worst Forms of Child Labour no. 182 (1999).

All actions to avoid child labour shall be implemented by way of verification of age certificate and any other relevant document which authenticates the date of birth of the person.

- b. The Company requires that all its employees, suppliers shall recognise the U.N. Convention on the Rights of the Child, and that the suppliers comply with all relevant national and international laws, regulations and provisions applicable in the country of production. Suppliers and contractors are obliged to take the appropriate measures to ensure that no child labour occurs at suppliers’ and their sub-contractors’ places of production.
